PROFESSIONAL SUMMARY

Expert in high-volume data management utilizing Excel and Google Spreadsheets. I leverage my IT background to implement AI and automation into manual workflows, ensuring scalability and precision. Backed by 1 year of telecommunications customer service experience, I deliver a rare blend of technical skill and professional communication.

EXPERIENCE

E-Commerce Operations Assistant *Majesty Coffee | April 2025—April 2026 | Remote*

- Delivered comprehensive P&L reports using Excel and Google Spreadsheets to track revenue and overall financial performance.
- Managed high-volume e-commerce fulfillment while actively auditing item costs to maintain target profit margins.
- Reconciled supplier invoices via email, accurately tracking and updating paid versus outstanding balances.

Customer Service Representative *iQor Philippines | July 2024—April 2025 | Dasmariñas, Cavite*

- Resolved complex billing and network connectivity issues, leveraging IT knowledge to effectively troubleshoot and fix device concerns.
- De-escalated frustrated customers and reduced churn through attentive, expert support, consistently exceeding NPS and First Call Resolution (FCR) targets.
- Processed account activations, plan upgrades, and daily service inquiries while maintaining 100% data accuracy across all customer records.

EDUCATION

Bachelor of Science in Information Technology

Cavite State University - Silang Campus | Silang, Cavite | 2023 - 2026
